Volunteer with Property Maintenance

The Haven

Multifaith Housing Initiative (MHI) was awarded the Action Ottawa grant to build 98 new affordable housing units in Barrhaven. Designed by J. Barry Hobin Architects and Associates, in partnership with CAHDCO, MHI is providing more than just homes to those in need – we are providing a sense of community. You can be part of this initiative by volunteering with any one of these three groups:

- Tenant Relations Team
- Housing Management Committee
- Property Maintenance Team
- Haven Community Team

Tenant Relations Team

The Tenant Support Team is unique to MHI. No other housing provider offers this service. As a volunteer on the Tenant Support Team, you will directly affect the lives of our tenants. You will get to know the tenants and be able to help them personally.

A Tenant Relations Team member works in various ways to assist our tenants in maintaining a successful tenancy. You will have a unique understanding of, and sensitivity to, the needs of our tenants.

You will be asked to welcome new tenants and meet with them to ensure things are running smoothly with their tenancy.

Activities such as clean-up days bring volunteers and tenants together

Housing Management Committee

The Housing Management Committee oversees the effective, efficient and economical running of The Haven on behalf of MHI.

You can help:

- With note-taking during meetings,
- As a writer for Tenant Bulletins,
- With translation
- With unit inspection

Property Maintenance Team

You can also help by providing maintenance to The Haven. We need:

- house painters,
- carpenters
- handypeople,
- gardeners,
- people to do various odd-jobs

Haven Community Team

You can help by organizing social, educational, and religious events at the Haven.

Over 10,000 families are on the waiting list for affordable housing in Ottawa. MHI is addressing this problem by building 98 new units in Barrhaven, called The Haven.
