VETERANS HOUSE LA MAISON DES ANCIENS COMBATTANTS

Le français suit

I would like to inform you about a great initiative which will hopefully be added to the new neighbourhood being built as part of the former Rockcliffe Air Base Redevelopment project: The Veterans House. Headed by the Multifaith Housings Initiative (MHI), the Veterans House is an important step in addressing homelessness among veterans in our region.

MHI is a non-profit organization with members of over 70 faith communities. Their goal is to provide safe, affordable housing for low-income residents. In many cases, they have even provided work for future tenants allowing them to take part in the creation of their new homes.

According to plans, the Veterans House would be a 40-unit permanent residence that will serve a multitude of functions. It would mainly allow veterans who are living in challenging conditions to benefit from stability and covered basic shelter needs. It would also ensure proper access to resources helping address mental health conditions and addictions, in both official languages.

I support this important project, which is an opportunity for us to positively change the lives of many, as well as to create awareness within this new community, while allowing citizens to come together in support of a great cause.
